Dear Sir/ Madam,

**Sub: Reclassification of shares in the Shareholding Pattern - Quarter ended March 2019**

We wish to inform the exchange that we have reclassified 5,43,790 shares (0.11%) under the category of promoter group in the shareholding pattern filed for the quarter ended 31<sup>st</sup> March 2019. Ms. Naseera Moopen, Ms. Alisha Moopen, Ms. Ziham Moopen and Ms. Zeba Moopen, forming part of the promoter group of Aster DM Healthcare Limited ("the Company") had purchased 5,43,790 shares (0.11%) of the company between March 2018- June 2018 from the Open Market. While the Company did submit the requisite disclosures under the SEBI (Prohibition of Insider Trading) Regulations, 2015, on account of such purchase, due to oversight these shares were inadvertently grouped under the category public holding (Individuals) in the subsequent quarterly shareholding patterns submitted to the Stock Exchanges. The error when noticed was rectified and these 5,43,790 shares were regrouped correctly from the category of Public individuals to Promoter group while filing the shareholding pattern for quarter ended 31<sup>st</sup> March 2019.

We shall rectify the earlier shareholding patterns filed with the exchange to correctly reflect grouping of the aforementioned shares. The said shareholdings were rectified on the BSE on 09 May 2019

We regret the inconvenience caused and assure you of prompt and accurate filings going forward.

Thanking You,  
For **Aster DM Healthcare Limited**
