Aster DM Healthcare to run and operate its 4th Hospital in Bengaluru in partnership with Karnataka Lingayat Education Society

- The Company is introducing two new hospitals in the city of Bengaluru. The third 350-bedded hospital is coming up in Whitefield, Bengaluru in next 12-18 months. First 150 beds would be made operational by April, 2020. It would also have a dedicated mother and child block.
- The fourth hospital to be introduced in association with Karnataka Lingayat Education Society (KLE) would be a 600 bedded multi-specialty quaternary care facility

Bengaluru, 24 September 2019: Aster DM Healthcare, one of the largest integrated healthcare service networks in the GCC and the third largest healthcare company in India, is growing its presence in the Karnataka region with the introduction of two new hospitals. For its fourth hospital, to be named as Aster KLE Hospital, the Company has entered into an agreement with KLE Society, which is recognized as a trusted healthcare provider, and runs over 270 institutions across Karnataka and Maharashtra and Delhi. A 25-year lease deed agreement was signed with Karnataka Lingayat Education (KLE) Society.

The 600 bedded hospital to be located next to KLE Dental College near Yeshwantpur on Tumkur NH Highway Road, would be Aster's 15th hospital in India and part of its global network of existing 25 hospitals, 115 clinics and 231 pharmacies. The hospital is scheduled to begin operations in April 2024.

Dr. Azad Moopen, Founder Chairman and Managing director of Aster DM Healthcare said, "We are looking forward to the launch of the new hospitals. The establishment of the third and fourth hospitals in Bangalore cements our promise to offer path-breaking medical technology and treatment, making quality healthcare easily accessible to the people in the region. The expansion is also a part of our efforts to strengthen and diversify our operations in the State where we already have two operational hospitals."

Dr Prabhakar Kore, Chairman of KLE Society, Member of Rajya Sabha from Karnataka said, "It has always been our effort to bridge the gap between modern facilities of diagnostics and treatment, including super specialty services, at affordable costs to people in remote areas and places where there is a dearth of these facilities. KLE Society has a long history of providing transformative healthcare, education and research and will continue to do so with this association with Aster DM Healthcare. The launch of the new hospital will be a vital blend of infrastructural, medical and technological excellence."

“We have received very good reception towards our existing hospital facilities in Bangalore, enabling us to expand our footprint with the development of Aster KLE. This project in Yeshwantpur suburb area is also based on an asset light model similar to Aster CMI and Aster RV Hospital and is sure to address healthcare concerns of patients in an around the region” **said Mr. Sreenath Reddy, Group CFO, Aster DM Healthcare.**

Dr. Harish Pillai, CEO, Aster India said, “Aster KLE Hospital will be the fourth unit in Bangalore to join the existing 13 hospitals across India and increase our bed capacity to 4643. Currently, we are serving 2 million patients in India annually and with the added capacity through the two new hospitals in Bangalore and diversified service offering through the Aster laboratories and clinics we would be able to extend the best medical practices including diagnostics, curative, rehabilitation and preventive services to as many patients as possible. Our world-class facilities at the hospital units in Bangalore are equipped with cutting-edge diagnostic and therapeutic competency. The launch of Aster KLE Hospital is a step further to fulfilling our commitment – We’ll treat you well. We are committed to more investments in Bangalore and our India operations will be headquartered in the same city.”

Commenting on introduction of the new hospital, **Dr. Nitish Shetty, CEO, Aster Hospitals, Bangalore, said,** “Aster KLE Hospital will be one of the largest units under the Aster DM Healthcare banner in Bangalore. It will cover crucial medical specialties under its Centres of Excellence with Cancer Care, Cardiac Sciences, Neurosciences, Liver Care, Organ transplant, Orthopaedics, Urology, Nephrology, among others, along with the latest, state-of-the-art medical technologies and equipments.”

END

About Aster DM Healthcare

Aster DM Healthcare Limited is one of the largest private healthcare service providers operating in multiple GCC states and is an emerging healthcare player in India. With an inherent emphasis on clinical excellence the Company is one of the few entities in the world with a strong presence across primary, secondary, tertiary and quaternary healthcare through its 25 hospitals, 115 clinics and 231 pharmacies. These are manned by our 20,329+ workforce (including approx. 1230 doctors on fee for service basis) from across the geographies that we are present in, delivering on a simple yet strong promise to its people: “We’ll treat you well.” We reach out to all economic segments in the GCC states through our differentiated healthcare services across the “Aster”, “Medcare” and “Access” brands.

About Karnataka Lingayat Education Society

In 1916, a group of seven visionary teachers with unconditional support from three benevolent patrons established the KLE Society with a vision to create a strong educational base in the neglected areas of Karnataka and Maharashtra. Since 1984, under the inspirational leadership of Honorable Chairman Dr. Prabhakar Kore, the organization has evolved into an entity that has global recognition & acceptance. Today the KLE Society runs over 270 institutions across Karnataka and Maharashtra with over 1, 25,000 students and 16,000 employees and support staff. The educational services of KLE Society range from Pre-primary & School education to Graduate, Post-Graduate, Doctoral & Post-Doctoral studies in various disciplines including Health Sciences, Engineering, Arts, Science & Commerce, Management, Law, Agriculture & Teacher Training. KLE Society's successful foray into healthcare began with the Dr. Prabhakar Kore Hospital and Medical Research Centre in 1996. The hospital has today evolved into a state-of-the-art modern facility providing essential and super specialty healthcare services. The facilities at the Hospital include Cardiology and Cardiac Surgery, Oncology and Gastro-enterology, Nuclear Medicine PET CT, Acute Liver Care ICU, Pediatric ICU, Kidney Transplant, Joint Replacement, Neuro Surgery, Advanced Physiotherapy, Trauma Care and Gamma Camera along with the routine diagnostic and treatment facilities. It is registered as a multi-organ transplant unit (MOTU), the first of its kind in North Karnataka offering heart, liver, bone marrow, and kidney transplant services. The facility along with KLES Dr. Prabhakar Kore Charitable Hospital, Centenary Charitable Hospital, Ayurveda Hospital, Cancer Hospital and ICU's in nearby rural areas of Ankola, Gokak, Chikodi and Yelur, has made the KLE Society a trusted healthcare provider with a combined capacity of over 4000 beds including 1700 free beds.
